ADVANCE YOUR CAREER!
100% Online - Master of Science, Applied Computer Science

GO WEST

UNIVERSITY of West Georgia
Department of Computer Science

www.cs.westga.edu
Acquire the education you need to pursue a rewarding career in the dynamic field of information technology. Our professional degree program focuses on applied computer science knowledge and skills. Graduates enter the job market well prepared to meet everyday, real-world challenges and to respond to changing needs and technologies.

**Upon completing the program, students will be able to:**

1. Effectively function as a member of a team engaged in the process of modeling, designing, and implementing computer-based systems of varied complexity utilizing multiple technologies.
2. Recognize and analyze social, professional, and ethical issues and responsibilities they may face as computing professionals.
3. Prepare and give effective technical presentations using appropriate technologies.
4. Write clear and accurate technical documents.

**About our program:**
- Exceptionally qualified faculty
- Cohorts begin each fall
- 24-month program

**About you:**
- Enter with a bachelor degree in any discipline
- Learn while you earn – courses are 100% online
- Graduate job placement near 100%
- Financial aid is available to qualified students
